RYUTARO by Víctor Carrasco

Occasional table designed in a minimalist distinctive style.

The steel legs are mortised through the top, creating an individual look. Thanks to the multiple finish options, the table can be used in numerous places, whether at home or in different architectural settings.

The tabletop is made of lacquered MDF or with an oak veneer in the various finishes offered by Viccarbe.

VICTOR CARRASCO

Born in Valencia (Spain) in 1974, Victor Carrasco began his professional career after graduating Cum Laude in Industrial Design Engineering at the Polytechnic University of Valencia.
